Beagle the Captain XXX Rum is a small batch artisan rum specifically handcrafted in India to bring you the authentic taste of rum originally produced in the Caribbeans. It gets it's rich dark chocolate colour from aged timber casks which has been matured to perfection. As the legend goes in search of mermaids who would stir up a storm where many great ships and aircrafts have been lost at sea forever, chasing mermaids, chasing a dream. Beagle the Captain XXX Rum takes you into a dream where myths and mermaids live. Tantalisingly smooth neat, on the rocks or with a splash of soft water. The clinking of our rum being poured into a glass will make some scintillating conversation which are sure to break the ice.

Invedere XXX Rum is a blend of 8 year old premium reserve matured in casks that used to hold port wine, giving it a beautiful reddish tint with a lustre of gleaming gold and amber. The nose is caramel and the palate is dry and medium bodied well structured with cinnamon, pepper spice and rich toffee which continues in the long finish. As you crack open the seal your senses will be invaded to stay, and build for themselves an imprint on your heart forever. Ready to tickle your olfactory senses enjoy it neat, on the rocks or with a splash of flavoured soda.

Good grain. Good water. Clear vodka. Glide over the byways of the vast Indian heartland and you'll find a bit of our story in every farm you pass. Your indigenous love for a taste of Vodka is distilled from grain neutral spirit using continuous distillation in a process, blended with alkaline water matured in aged casks in the beautiful hills of Himachal Pradesh. The nose is neutral with hints of mountain air which is clean and crisp. A classic, clear and clean vodka. Beloved Birds vodka is a sinful indulgence.
